**Now forming:
a new caregiver support group in Park Slope**
for caregivers of Alzheimer's Disease and related dementias

Caring for a family member with Alzheimer's disease or any of the dementias presents unique and difficult challenges.

Come and share your experiences of caring for a relative with dementia, the complex issues of care management and the feelings you may not be able to share with others.

4 - 5:15 pm • 2nd and 4th Monday
Starting: Monday, January 28th

Contact: **Gene Estess 718-858-8918**
